Similar changes to other modern awards are expected.</p>	<p>Business Closures: On March 22, 2020, Government announced that the following facilities will be restricted from opening from midday local time March 23, 2020:</p> <ul style="list-style-type: none"> Pubs, clubs, and hotels (excluding accommodation) Gyms and indoor sporting venues Cinemas and entertainment venues Restaurants and cafes will be restricted to takeaway and/or home delivery Religious gatherings and funerals (with some size exceptions) <p>Public Gatherings: On March 29, 2020, most indoor and outdoor non-essential gatherings were limited to two people. Rules on essential gatherings are also in place.</p> <p>Travel Restrictions: On March 15, 2020, government announced that all travelers will be subject to the 14-day quarantine after arriving, and cruise lines from foreign ports are banned from Australia for 30 days. On March 24, 2020, Australia announced a ban on Australians travelling overseas, and Australians must avoid all non-essential domestic travel. Individual States and Territories have</p>	<p>From March 30, 2020, the exportation of the following goods from Australia is prohibited:</p> <ul style="list-style-type: none"> any disposable face masks, gloves, gowns as well as goggles, glasses or visors; in each case which are capable of limiting the transmission of organisms to humans; alcohol wipes; and hand sanitizer. <p>Exceptions: The export prohibitions do not apply:</p> <ul style="list-style-type: none"> if a person takes a reasonable quantity of those items for personal use when they leave Australia; or to the following exports, provided the export is not by international mail: <ul style="list-style-type: none"> to a relative, for the relative's personal use; by a humanitarian organization; by the manufacturer; or as part of the person's normal business (which business is registered under the GST Act and has an ABN). 	<p>https://www.pm.gov.au/media/update-coronavirus-measures-220320</p> <p>https://www.dss.gov.au/about-the-department/coronavirus-covid-19-information-and-support</p>

Country	Economic Measures	Labor & Employment Measures	Health & Safety Measures	Export/Import Measures	Resources
	<p>million can obtain an immediate tax deduction for certain assets.</p> <p>State Measures:</p> <ul style="list-style-type: none">▪ The State of Queensland introduced \$500 million COVID-19 Jobs Support Loan scheme to help businesses financially affected by COVID-19.▪ The State of New South Wales introduced an economic package which includes creation of a \$1 billion Working for NSW fund to sustain business, create new jobs and retrain employees and deferral of payroll taxes, among others. <p>Changes to Australia’s insolvency system: Implementation of measures to protect directors from Australia’s insolvent trading laws, and to prevent creditors from bankrupting individuals or winding up companies over unpaid debts. These changes will last for 6 months, unless extended.</p> <p>Commercial Leases: Government implemented additional measures to provide relief for small and medium businesses that (i) have an annual turnover of \$50 million or less, (ii) are experiencing a 30% reduction in turnover, and (iii) are eligible for the</p>		<p>also imposed restrictions between jurisdictions unless for essential travel.</p> <p>Country Re-opening: The various Australian States and Territories have begun to re-open their local economies. Most schools in the entire country are now fully re-opened. However, the States and Territories are all moving at different speeds so that the return to work and the degree of opening of hospitality and leisure facilities is more complete in some locations than in others. For now, there are still internal restrictions on travel inter-State but it is anticipated that full free movement across the entire country and with New Zealand will be reinstated at some stage in July. The first of the professional sports leagues, the National Rugby League (NRL), recommenced its season at the end of May. The Aussie Rules code (AFL) will recommence in June with others to follow in July, all games being played behind closed doors.</p>	<p>Term of prohibition: These provisions apply during the ‘human biosecurity emergency period’ declared by the Biosecurity (Human Biosecurity Emergency) (Human Coronavirus with Pandemic Potential) Declaration 2020. That period is currently scheduled to expire on June 17, 2020 but is subject to extension.</p>

France C'M'S' Francis Lefebvre Lyon <small>Avocats</small> Jean-Philippe Clement jean-philippe.clement@lyon.cms-fl.com Guillaume Bossy guillaume.bossy@lyon.cms-fl.com Laurent Romano laurent.romano@lyon.cms-fl.com Updated as of May 18, 2020	Economic Stimulus: The main set of measures are provided by (i) an emergency law (the "Emergency Law to face COVID 19 Epidemic") adopted on March 22, 2020 and (ii) a Loi de Finances Rectificative creating a state guarantee adopted on March 20, 2020 and its implementing decree (arrêtés) dated March 23, 2020 granting the State guarantee to credit institutions and finance companies pursuant to the Loi de Finances Rectificative. These measures include (i) a state guarantee fund up to €300 billion, (ii) deferral of existing mandatory facilities prepayment and deletion of additional costs and penalties, and (iii) an emergency plan to support small and mid-sized companies. Tax: <u>Deferral:</u> Companies may request a deferral of the direct tax payments due in March and April without penalties. This	Teleworking: The government has insisted that business organizations should do everything possible to have their employees work remotely from home (at least until beginning of June for the moment) and take all necessary measures (e.g. minimal distance between workers) to protect the health and safety of the employees who cannot work from home. Short-time Work (Activité partielle): Short-time work allows the employer, when it faces exceptional circumstances such as the current pandemic that results in a decrease in its activities or even in a temporary closure, to ask for a special indemnification from public authorities to cover the costs of unworked hours. Employees receive an hourly compensation for unworked hours corresponding to approximately 84% of their net salary. Then, the employer gets compensation from the State for	Lockdown: Lockdown ended as of May 11, 2020. Schools: Kindergartens, primary and secondary schools gradually reopen starting with May 11, 2020. Universities will remain closed. Public gatherings: Public gatherings of more than 10 people are forbidden (Decree n° 2020-548 of May 11, 2020 laying down various measures to combat the spread of the covid-19 virus). Gatherings more than 10 people in private places are also forbidden and distancing shall be maintained. Events of more than 5,000 people are prohibited until August 31, 2020. Business Closures: Companies are no more obliged but strongly recommended to organize work from home for every position where possible. When re-opening a business, social distancing shall be maintained.	General Control for Export Outside of the EU: cf. EU temporary export licensing requirement on certain personal protective equipment. Respiratory Masks: In accordance with article 12 of decree n°2020-293 of March 23, 2020, certain types of respiratory protection masks held in France on March 24, 2020 or produced on French territory from that date are requisitioned until May 31, 2020 (subject to possible extension). This requisition may also apply to imported devices (subject to some conditions). They cannot therefore be sold or exported. Drugs: In addition, certain drugs (curare and hypnotics) are subject to similar measures	https://www.gouvernement.fr/en/coronavirus-covid-19 https://cms.law/fr/fra/offres/covid-19-coronavirus https://travail-emploi.gouv.fr/actualites/l-actualite-du-ministere/article/coronavirus-questions-reponses-pour-les-entreprises-et-les-salaries https://cms.law/en/fra/news-information/covid-19-restrictions-on-the-free-movement-of-goods https://www.legifrance.gouv.fr/affichTexte.do?cidTexte=LEGITEXT000041747861&dateTexte=20200503

<p>Guatemala</p> <p></p> <p>Florencio Gramajo Florencio.Gramajo@ariaslaw.com Luis Pedro del Valle LuisPedro.DelValle@ariaslaw.com Jorge Luis Arenales JorgeLuis.Arenales@ariaslaw.com <i>Updated as of June 15, 2020</i></p>	<p>Tax: The payment of the Solidarity Tax for the second quarter of 2020 due on April 30, 2020 can be delayed until September 30, 2020. To get such benefit, the taxpayer must not fire any employee during such period, except if a justified cause is proven in accordance with the Guatemalan labor law.</p> <p>The Tax Administration has deferred the terms prescribed by Guatemalan tax law related to the compliance of tax obligations such as appearing in administrative hearings, filing of administrative motions for reversal, attending to subpoenas, fulfillment of the tax information injunction, and the terms of the administrative processes initiated or to be initiated are deferred. For such purpose, the following days were declared as non-working days for tax matters: March 24 to 31, 2020; and April 1, 2, 3, 6, 7, 8, 13 and 14, 2020.</p>	<p>Force Majeure: On April 7, 2020, the Official Gazette published the Ministerial Agreement 140-2020 of the Ministry of Labor and Social Provision, acknowledging that the state of Public Calamity due to the COVID-19 Pandemic constitutes a case of force majeure and creates the electronic procedure for the registration, control and authorization of total suspensions of labor agreements, that is, without payment of salaries.</p>	<p>Business Closures: Work and activities of the Private Sector has been suspended until June 29, 2020; however, teleworking must be allowed and encouraged. Key industries and essential services do not have to telework but must ensure that the social distancing and health and safety rules are respected.</p> <p>Curfew: Restrictions on the freedom of locomotion (i.e. curfew), are in force from Monday, March 30, 2020 to Monday, June 29, 2020. During the curfew, the traffic and circulation of people, crew, passengers, vehicles and all types of private terrestrial transport and passengers will be limited between 6:00pm and 5:00am of the following day. Vehicles classified as private use can only circulate on certain days, depending on their license plate number.</p>		<p>http://ariaslaw.com//boletines/PUBLICACIONES%202020/GT%20General%20Practical%20Guidance%20COVID%2019.pdf</p>

<p>Israel</p> <p><i>hfn</i> HERZOG FOX & NEEMAN LAW OFFICE</p> <p>Ory Nacht Nachto@hfn.co.il</p> <p><i>Updated as of June 15, 2020</i></p>	<p>Economic Stimulus: The Israeli Ministry has increased the total economic relief package to approx. NIS 100 billion (\$28.6 billion) in order to address the significant economic consequences of COVID-19. The package targets 4 key areas: (i) support to the healthcare system in handling the outbreak and its consequences; (ii) social welfare support to employees and the self-employed; (iii) support to businesses in dealing with the economic impact of the coronavirus; and (iv) implementation of economic recovery and stimulus measures (e.g., the allocation of NIS 1.1 billion for the acceleration of transportation and infrastructure projects).</p> <p>Support of Businesses That Hire or Rehire Employees: In an attempt to stimulate the labor market, which is suffering from an unprecedented unemployment rate, the government is proposing to grant employers a cash benefit of up to NIS 7,500 (\$2,150) for each new hire, as well as for each existing employee on temporary leave who will be reinstated.</p> <p>Support for High-Tech Sector: The Israel Innovation Authority has established a fast-track route to evaluate, within 4</p>	<p>Public Sector: All employees of government agencies and government-owned corporations have returned to work as of May 3, 2020.</p> <p>Restrictions in Workplaces:</p> <ul style="list-style-type: none"> Employers who meet the 'Purple Seal' certification (which is self-regulated and does not require external approval) are allowed to resume unlimited attendance of employees. The 'Purple Seal' involves implementation of various measures and procedures intended to ensure social distancing and minimization of exposure among employees. Employers who do not meet such standards are restricted to maintaining on-site only up to 10 employees or 30% of their workforce simultaneously (the higher of the two); The 'Purple Seal' requirements do not apply to most of the workplaces designated as essential (as listed in the detailed publications made in that regard), which were already exempt from the limitations regarding attendance of employees at the workplace. 	<p>Lockdown: Various limitations have been imposed on individuals some of which have a direct impact on employees and the workplace:</p> <ul style="list-style-type: none"> Organized gatherings of up to 250 persons are permitted, including in closed spaces, subject to certain guidelines; All other limitations on movement, travel and gathering have otherwise been lifted. <p>Travel Restrictions:</p> <ul style="list-style-type: none"> Any person arriving in Israel from abroad will be placed in quarantine, either self-imposed (if the person stipulates to meeting certain conditions) or in designated hotels or other locations converted for such purpose, for a period of 14 days. Foreign nationals from China, South Korea, Thailand, Italy, Macao, Singapore, Hong Kong, Japan and Egypt are categorically prohibited from entering Israel; Israeli residents are not prohibited from traveling abroad; however, employers are encouraged to avoid unnecessary travel of their employees. 	<p>Export Controls of Therapeutic Apparatus: The Israeli government now requires a license for the export of the following:</p> <ul style="list-style-type: none"> Artificial respirators, ventilators and other therapeutic apparatus; Personal hygiene products and disinfection products that contain more than 70% Ethyl alcohol or more than 60% Isopropyl alcohol; Bi-PAP (bilevel positive airway pressure) and C-PAP (continuous positive airway pressure) machines. Alcohol solutions (not including alcoholic beverages); Medical oxygen; Medical examination sticks; Waterproof protective garments for surgical / medical uses; 	<p>https://www.gov.il/en</p> <p>https://govextra.gov.il/mof-gloans-corona/</p> <p>https://www.gov.il/he/departments/news/press_30032020_b</p> <p>https://www.gov.il/he/departments/ministry_of_environmental_protection</p>

	<p>weeks of filing, applications for grants by early-stage start-up companies which have considerable IP or high probability of success while suffering from a short financial runway. The fast-track rout allows for approval of grants of up to NIS 15 million (approx. \$4.3 million) per company.</p> <p>Industrial & Environmental Regulatory Measures: The government has granted an automatic extension of regulatory licenses required by business owners, and deferred deadlines in proceedings involving monetary sanctions. The Israeli environmental authorities have postponed expiration dates of environmental and fire-safety permits and licenses, deadlines for issuance of annual pollution and emissions reports, and eased compliance with laws concerning electronic and packaging waste.</p>	<ul style="list-style-type: none">• Meetings and conferences may now be held with up to 50 persons (and only by Purple Seal-compliant employers in a room exceeding 20 m²) with at least 2m of space between them. In retail businesses that cater directly to customers, there remain certain restrictions on the number of customers allowed to be present in a given space. <p>Unemployment & Sickness Benefits: The Israeli government has eased the conditions for eligibility for statutory unemployment and sickness benefits in cases involving unpaid leaves of absence or mandatory quarantine. However, most of the more flexible eligibility conditions for receiving statutory unemployment benefits apply to individuals whose employment ended (whether by way of termination or placement on unpaid leave) before 30 April 2020.</p>	<p>Business Closures: Essentially all commercial establishments, including shopping malls and similar closed spaces, have now been permitted to reopen, subject to certain limitation to prevent overcrowding. Restaurants and cafés remain open for delivery or takeaway only, and are expected to return to regular operation by the end of May.</p> <p>Education: All educational institutions have reopened, other than universities and colleges, which are expected to return to full operation by the end of May.</p>	<ul style="list-style-type: none">• Textile facemasks without a replaceable filter or mechanical parts, including surgical masks and disposable facemasks made of nonwoven textiles;• Infusion pumps and other pumps;• PEEP valves;• Devices for measuring the oxygen saturation; and• Monitoring stations.

	Autonomous Communities: There are many economic and tax measures approved by the governments of the Spanish autonomous communities to help companies and the self-employed mitigate the impact of the COVID-19 health crisis.				
Thailand Tilleke & Gibbins John Frangos john.f@tilleke.com <i>Updated as of June 15, 2020</i>	Tax reductions: Withholding tax reduced from 3% to 1.5% on payment for services, hire of work, certain commissions, and professional fees for payments made from April 1, 2020, to September 30, 2020, increasing to 2% from October 1, 2020, to December 31, 2021. Individuals may claim a higher health insurance allowance. Tax Deductions: Eligible small and medium enterprises (SMEs) can claim a 150% deduction for actual loan interest paid in April to December 2020. SME employers can deduct 300% of eligible salary costs paid to employees from April to July 2020. A 90% reduction of the recently instituted land and buildings tax has also been granted. Tax Exemptions: Eligible medical and public health personnel involved in the prevention or treatment of COVID-19 are granted exemptions for special pay in	Reduction in Contributions: The Board of the Social Security Office granted a three-month reduction in the level of contributions to the social security fund for both employers (reduced to 4%) and employees (reduced to 1%), effective through May 2020. Paid Leave / Force Majeure: The Social Security Office (SSO) has revised their definition of force majeure to include hazards from the COVID-19 pandemic. This enables the SSO to pay partial wages to employees who have to cease working temporarily between March 1 and August 31, 2020, and who do not receive wages from the employer during the temporary cessation. For cases of termination due to COVID-19 between March 1, 2020, and February 28, 2021, the SSO will pay partial wages to the qualifying former employees. However, these	Business closures: Most business categories and public spaces have tentatively been allowed to reopen, provided they strictly observe the required precautionary measures. Public Gatherings: Public gatherings are banned under the Emergency Decree, which has been extended to May 31 and may be renewed if deemed necessary. Travel restrictions: All incoming international commercial flights are banned through June 30, 2020, and land borders are closed or severely restricted. Foreign nationals are not allowed into the country (other than a few very limited exceptions), and Thai citizens overseas may only enter the country if they have a medical certificate confirming fitness issued within the previous 72 hours. Visa holders already inside the country are granted an automatic extension until July 31, 2020.	Export Controls: Exporting of masks is banned regardless of shipment size. Import Facilities: Import duties are exempted on goods imported by September 30, 2020, for the treatment, diagnosis, or prevention of COVID-19.	https://www.tilleke.com/resources/covid-19-resource-center

	<p>2020. Debtors are granted exemption from income tax on forgiven debts, and exemption from various taxes imposed on transfers of immoveable property collateral to a third party under circumstances prescribed by the director-general of the Revenue Department. Both debtors and creditors are granted exemptions from various taxes on transactions or instruments related to debt restructuring.</p> <p>Extensions and Scheduling adjustments: Filing extensions granted for corporate income tax (limited), excise tax, and personal income tax. The Revenue Department will consider other tax extensions for affected businesses on a case-by-case basis. Eligible domestic businesses will receive any VAT refund owed within 15 days of filing online, or 45 days of filing manually. For businesses that take advantage of online filing for their monthly (March–August 2020) withholding tax, VAT, and specific business tax, the filing deadlines are extended by approximately two weeks each time.</p> <p>Loan Facilities: Effective March 23, 2020, the Bank of Thailand (BOT) lowered the policy rate by 0.25 percentage points to 0.75%. On April 7, the BOT announced a</p>	<p>measures do not grant employers blanket discretion to cease operations without paying wages, temporarily or permanently; actual requirements must be determined on a case-by-case basis. According to current labor law, employers who decide to temporarily cease operations must pay 75% wages. As for unavoidable layoffs, they must follow the standard timing and remuneration requirements for Thailand.</p>	<p>Corporate Meetings: Board and shareholders’ meetings may now be conducted fully electronically, as the previous in-person quorum requirement and the requirement that remote attendees be inside Thailand have been canceled. Attendees may now participate from anywhere in the world. Attendees’ identities must be verified, and records must be kept, including a full audio or audiovisual recording of the meeting.</p>

	<p>medium enterprises. Debt funding is provided by UK Banks and a growing list of alternative debt providers by way of new term debt, overdrafts, invoice finance and asset finance of up to £5m (the term loan must be for a minimum of £50,001) and term of up to 6 years (up to 3 years for invoice discounting facilities and overdrafts). The loans are interest free for 12 months. An integral part of this scheme is the guarantee by the UK Government in favour of the relevant financier for 80% of the new debt.</p> <p><u>Coronavirus Large Business Interruption Loan Scheme (CLBILS)</u>: The government has extended the above loan scheme to large businesses. The CLBILS will provide a government guarantee of 80% of the new debt to enable banks to make loans of up to £25 million to businesses with an annual turnover of between £45 million and £250 million, and loans of up to £200 million to businesses with an annual turnover of over £250 million, who have not benefitted from funding under the COVID Corporate Financing Facility.</p> <p><u>Innovation</u>: a new financial package to protect firms that drive innovation, which launched in May 2020, including (a) £500 million investment fund for high-growth companies impacted by the</p>	<p>to receive 80% of pay (up to the cap), from August, employers must pay the NICs and pension contributions on this pay. From September employers will, in addition, have to pay 10% of the furlough pay rising to 20% from October with the Government’s contribution to the pay tapering do commensurately.</p>	<p>Public gatherings: In England and Northern Ireland up to 6 people can now gather outside provided they remain 2 metres apart. In Scotland it is 8 people from 2 households; and in Wales any number from 2 households.</p> <p>Travel restrictions: The Foreign and Commonwealth Office has advised against all non-essential travel worldwide.</p> <p>Note that Health and Safety measures applicable to businesses, taken in response to COVID-19, are not uniform across the UK. A central piece of public health legislation (the Coronavirus Act 2000) is UK-wide. However, each devolved administration has passed its own laws addressing the public health implications of COVID-19. In particular, there are separate health protection Regulations applicable to England, Wales, Scotland and Northern Ireland.</p>	<p>On 31 March the Chancellor announced that import taxes on medical equipment crucial to the fight against coronavirus will be waived - reducing red tape to ensure equipment gets to frontline health workers faster. NHS suppliers will no longer have to pay customs duty and import VAT on specific medical goods coming from outside the EU, including ventilators, coronavirus testing kits and protective clothing.</p> <p>On 1 April HM Revenue and Customs published changes to customs border processes, moving goods and clearing customs during the COVID-19 outbreak.</p>	<p>https://www.gov.uk/government/collections/coronavirus-covid-19-transport-and-travel-guidance</p> <p>https://www.gov.uk/government/publications/full-guidance-on-staying-at-home-and-away-from-others/full-guidance-on-staying-at-home-and-away-from-others#going-to-work</p> <p>http://www.legislation.gov.uk/ukxi/2020/350/contents/made</p> <p>https://www.england.nhs.uk/coronavirus/</p> <p>https://www.gov.uk/government/news/chancellor-waives-duties-and-vat-on-vital-medical-imports</p> <p>https://www.gov.uk/guidance/moving-goods-through-customs-during-the-coronavirus-covid-19</p>

	<p>COVID-19 crisis by employers that were carrying on a trade or business in 2020, where the employer’s (1) operations were fully or partially suspended due to a COVID-19-related shutdown order or (2) gross receipts declined by more than 50% when compared to the same quarter in the previous year. The credit is provided for the first \$10,000 in compensation (i.e., up to a \$5,000 tax credit), including health benefits, paid to an eligible employee, and is provided for wages paid or incurred after March 12, 2020, through the end of the year. The payroll tax credit is not available if an employer receives a guaranteed loan described above.</p> <p>The CARES Act also allows employers to defer payment of the 6.2% employer share of the Social Security tax payable through December 31, 2020 and requires that the deferred payroll tax be paid over the following two years, with half of the tax amount required to be paid by December 31, 2021, and the other half by December 31, 2022. An employer must cease deferring payroll tax if it receives forgiveness of a guaranteed loan, described above.</p>	<p>Paid/Unpaid Leaves: The Families First Corona Response Act was passed by the Federal government. Employers with fewer than 500 employees must provide Paid Sick Leave for 14 days for COVID 19 related absences, and unpaid leave under the EFMLA for COVID-19 related reasons.</p> <p>Payroll Protection Measures: The federal government implemented the Payroll Protection Program which provided enhanced unemployment compensation.</p>	<p>countries where commercial departure options remain available, U.S. citizens who live in the United States should arrange for immediate return to the United States, unless they are prepared to remain abroad for an indefinite period.</p> <p>Starting with late December 2019, President Trump issued several Presidential Proclamations restricting the entry of foreign nationals from China, Iran, and most European countries, including United Kingdom and Ireland. On March 20, 2020, non-essential travel across Mexico and Canada was restricted. CDC also issued a domestic travel advisory for New York, New Jersey, and Connecticut, which has since expired.</p> <p>Public Gatherings: CDC recommends cancellation of community-wide gatherings (e.g., >250 people) and gatherings of more than 10 people for organizations that serve high-risk populations. Many state and local governments issued shelter-in-place and stay-at-home orders prohibiting non-essential gatherings of any size (e.g., New York).</p>	<p>enforcement policies to expedite the importation of PPE, including masks, respirators, gowns, and gloves.</p> <p><u>Duty Deferrals:</u> U.S. Customs and Border Protection (CBP) postponed deadlines for payment for the deposit of certain estimated duties, taxes, and fees for importers experiencing a significant financial hardship due to COVID-19.</p>

<i>Updated as of June 15, 2020</i>	<p>and extra-small enterprises.</p> <p>Contributions to COVID-19-fighting activities can be deductible expenses when calculating corporate income tax.</p> <p>Loan Facilities: Companies who are unable to meet payroll obligations due to COVID-19 are eligible for no-collateral, zero-interest loans for up to 50% of the regional minimum wage for their employees.</p> <p>Government Fees: An assortment of official fees have been reduced through the end of December 2020.</p>	<p>Suspension of Contributions: Mandatory contributions for social insurance and trade union fees have been suspended until June 30. Contributions to pension and survivor funds can be suspended for up to 12 months for affected employers and employees.</p> <p>Lay-off / Leave Pay: Employees whose contracts have been suspended due to COVID-19 are eligible for monthly payments of VND 1.8 million (about USD \$70) for up to 3 months. Those who have lost their jobs and are not covered by unemployment insurance will receive VND 1 million (about USD \$43) per month for up to 3 months.</p>	<p>Business Closures: On June 9, the government agreed to allow karaoke establishments and nightclubs to be reopened. There are no longer any restrictions on businesses being open.</p> <p>Education: Most schools reopened in mid-May. Social distancing is not required, but high levels of hygiene and sanitation are strongly encouraged.</p> <p>Facemasks: Facemasks still must be worn in public, but are not required in schools, restaurants, or bars.</p> <p>Travel Restrictions: Domestic air travel, along with local and interprovincial bus, train, and boat transportation, has returned to near-normal in terms of routes and frequency. A small number of outbound international flights have resumed.</p> <p>The government is considering resuming inbound commercial flights from “safe” regions. For now, foreign entry is still suspended, except for Vietnamese nationals, foreigners on diplomatic or official business, and highly skilled workers; all are subject to health checks and 14-day quarantine.</p>
