Additionally, these businesses are able to deduct the full cost of eligible depreciating assets first held, first used/installed ready for use between the 2020 budget time and June 30, 2022.</p> <p><b>Restructuring:</b></p> <p>Temporary measures to protect directors from Australia's insolvent trading laws, and to</p>	<p><b>Health &amp; Safety:</b></p> <p>Government amendments to the Therapeutic Goods Act <b>have expired</b>. The amendments exempted from certain requirements under the TGA some kinds of medical devices and medicines used for the diagnosis, confirmatory testing, prevention, monitoring, treatment, or alleviation of COVID-19, for ventilators, hand sanitizers, and for the provision of disposable face masks, disposable gowns, and protective eye wear, so they could be made urgently available in Australia to manage the pandemic in 2020. The Australian government is considering further amendments, including removal of any potential impediments to the rollout of COVID-19 vaccines.</p> <p><b>Travel Restrictions:</b></p> <p>Only Australian citizens, residents, immediate family members and travelers who have been in New Zealand for the previous 14 days are allowed to travel to Australia. People arriving in Australia <b>must provide evidence of a negative COVID-19 test taken 72 hours or less before departure, and</b> will be subject to the 14-day quarantines after arriving (in addition to any state and territory travel restrictions) unless they are arriving from a 'green zone' country and meet specific additional requirements. Currently, New Zealand is the only green zone country for these purposes.</p>	<p><b>Procurement:</b></p> <p>The procurement rules of the Commonwealth government and State and Territory governments allow for accelerated procurement procedures in certain circumstances.</p> <p>For the Commonwealth government, where an accountable authority deems it necessary to undertake a streamlined process to protect human health, or otherwise in the case of extreme urgency brought about by unforeseen events and where the goods and services could not be obtained in time under an open tender. Where a limited tender is available, the agency may directly approach one or more suppliers to make a submission.</p> <p>Most States and Territories allow for accelerated procurements, including the option for direct sourcing in some circumstances. NSW has also opened an emergency supplies registration portal for suppliers that have the capacity to provide critical supplies, raw materials or manufacturing capability to produce critical supplies during COVID-19. The State Emergency Operations Controller coordinates procurement of critical goods and services during the pandemic, and agencies must not procure critical items without SEOCON approval.</p>	<p><b>Import &amp; Export:</b></p> <p>No updates.</p> <p><b>Foreign Investment:</b></p> <p>From March 29, 2020 until January 1, 2021, temporary changes were made to the Foreign Investment Review Board (FIRB) framework including reducing all monetary screening thresholds to \$0.</p> <p>From January 1, 2021,</p> <ul style="list-style-type: none"> <li>the \$0 threshold for all foreign investments will remain on a permanent basis for sensitive national security businesses only, and</li> <li>the \$0 threshold for all other foreign investments will revert to the pre-March 29, 2020 thresholds (subject to indexation).</li> </ul> <p><a href="https://firb.gov.au/exemptions-thresholds/monetary-thresholds">https://firb.gov.au/exemptions-thresholds/monetary-thresholds</a></p>

	<p>prevent creditors from bankrupting individuals or winding up companies over unpaid debts <b>have expired. Further amendments came into effect from January 1, 2021 which enable a streamlined debt restructuring process for eligible small businesses and a simplified liquidation pathway for eligible small businesses that cannot be revived, as well providing additional measures to support the insolvency sector to respond to the reforms.</b></p> <p><u>Emergency measures:</u></p> <p>The <i>Competition and Consumer Act 2010</i> has been <b>amended</b> to would allow a person to engage in anti-competitive conduct where that conduct would assist in the response to or recovery from a declared national emergency.</p> <p><i>Telecommunications Act 1997</i> has been <b>amended</b> to require telecommunications providers to give assistance in certain types of emergencies, such as sending emergency messages.</p>	<p>On March 24, 2020, Australia announced a ban on Australians travelling overseas, and Australians must avoid all non-essential domestic travel. Individual States and Territories have also imposed restrictions between jurisdictions unless for essential travel.</p> <p><u>Workers' Rights:</u></p> <p>From April 1, 2020, the Australian government began working with the Fair Work Commission to change 103 modern awards to provide an entitlement for:</p> <ul style="list-style-type: none"> <li>unpaid pandemic leave; and</li> <li>annual leave at half-pay.</li> </ul> <p>In some cases, changes to awards have been made to temporarily allow flexibility for employee's working hours and duty classifications.</p>	<p><u>Infrastructure:</u></p> <p>In June 2020, the government announced a \$1.5 billion infrastructure stimulus package, including \$1 billion in funding for projects that can commence within 6 months.</p> <p>The states and territories have also announced economic recovery strategies, such as Queensland's \$200 million for productive infrastructure, in addition to a \$50 billion 4-year infrastructure guarantee, and New South Wales' \$3 billion acceleration program, in addition to its \$100 billion 4-year infrastructure pipeline.</p> <p><u>Statutory licensing:</u></p> <p>The <i>Patents Act 1990</i> and <i>Designs Act 2003</i> have been <b>amended</b> to allow the government to use a registered patent or design in an emergency, where the Governor-General has made a national emergency declaration.</p>	
<p><b>Belgium</b></p> <p>● <b>NautaDutilh</b></p> <p>Philippe François <a href="mailto:philippe.francois@nautadutilh.com">philippe.francois@nautadutilh.com</a> Ken Lioen <a href="mailto:ken.loien@nautadutilh.com">ken.loien@nautadutilh.com</a></p>	<p><u>Tax:</u></p> <p><b>Payment Deferral:</b> <u>Payment deferral and waiver of late payment interest and fines upon motivated request:</u> All individuals and legal persons having an enterprise number (KBO) can request (i) a repayment plan, (ii) a waiver of late payment interest and (iii) a remission of fines for non-payment for tax debts relating to personal income tax, corporate income tax,</p>	<p><u>Health &amp; Safety:</u></p> <p><b>Until March 15, 2021,</b> working from home is obliged for all employees unless (i) this is not possible due to the nature of the employee's function or (ii) it would disrupt the continuity of the business, activities or service.</p> <p><b>Working from home:</b> If working from home is not possible, the rules in the Generic Guide to stop the spread of COVID-19 at the workplace</p>	<p><u>Procurement:</u></p> <p>The Guidance from the Commission on using the public procurement framework in the emergency situation related to the COVID-19 crisis is applicable to Belgium. In addition, national and regional legislation provided practical solutions or adaptations in order to deal with the impact of the COVID-19 crisis.</p>	<p><u>Import &amp; Export:</u></p> <p>Please see the export controls on medical supplies mentioned under the European Union.</p> <p>Support measures for companies investing in export and/or international trade may be found on a regional level.</p>

<p>Rebecca Runa Pinto-Noome <a href="mailto:rebecca.pinto@nautadutilh.com">rebecca.pinto@nautadutilh.com</a></p> <p><i>Updated as of February 8, 2021</i></p>	<p>legal entity tax, wage withholding tax and VAT, provided that they demonstrate that they are affected by the spread of the coronavirus (e.g. drop in turnover). This request can be filed until <b>March 31, 2021</b>.</p> <p><b>Increased investment deduction:</b> For small companies within the meaning of Belgian company law, an increased investment deduction of 25% applies to investments made until the end of 2022, subject to certain conditions being met.</p> <p><b>Carry-back of tax losses:</b> Businesses (subject to personal or corporate income tax) are, subject to certain conditions, allowed to set-off the expected tax losses of financial year 2020 against the taxable profits of financial year 2019 (through the creation of a tax exempt COVID-19 reserve).</p> <p><b>Postponement of the DAC 6 notification deadline:</b> cross-border tax arrangements with a potential risk of tax avoidance that took place between June 25, 2018 and June 30, 2020 had normally to be notified to the Belgian tax authorities by August 31, 2020 at the latest. Due to COVID-19, an administrative tolerance granted a 6-month delay, with as a result that said arrangements have to be notified by February 28, 2021 at the latest.</p> <p><b>Reconstruction reserve:</b> companies subject to corporate income tax or non-resident tax may establish an exempt reconstruction reserve at the end of the financial year relating to assessment years 2022, 2023 and 2024 to the</p>	<p>(incl. measures of social distancing) must be strictly applied (except for essential business). Employers must provide employees who cannot work from home with a certificate or other proof that these employees cannot work from home.</p> <p><b>Workers' Rights:</b></p> <p>Companies who temporarily use services of employees/independent service providers living or residing abroad, must keep a register (during 14 days) and must verify whether the Passenger Locator Form was filled in before the start of the activity/work.</p> <p>Employees/independent service providers living or residing abroad who are temporarily employed in Belgium, must have a negative PCR-test dated from at the earliest 72 hours before the beginning of their work/activity in Belgium (if they are staying for longer than 48 hours). If the PCR-test is positive, quarantine will be mandatory until the test is negative.</p> <p>Everyone that travels to Belgium (except persons and who reside less than 48 hours in Belgium) must fill in the Passenger Locator Form and must quarantine. Quarantine can only end after a negative PCR-test on day 7 of quarantine (exceptions may apply). These rules also apply to Belgians returning from abroad unless they stayed less than 48 hours abroad.</p> <p><a href="https://www.info-coronavirus.be/en/faq/">https://www.info-coronavirus.be/en/faq/</a> <a href="https://diplomatie.belgium.be/en">https://diplomatie.belgium.be/en</a></p>	<p><a href="https://www.nautadutilh.com/en/coronavirus/state-aid-covid-19-tracker-measures-available-to-weather-the-storm-1">https://www.nautadutilh.com/en/coronavirus/state-aid-covid-19-tracker-measures-available-to-weather-the-storm-1</a> <a href="https://ec.europa.eu/competition/elojade/isef/index.cfm?fuseaction=dsp_sa_by_date">https://ec.europa.eu/competition/elojade/isef/index.cfm?fuseaction=dsp_sa_by_date</a></p> <p><b>Linked below, a pertinent website of the Belgian governmental measures on public procurement that apply at federal and state level:</b></p> <p><a href="https://www.publicprocurement.be/nl/publicprocurementbe-english-0">https://www.publicprocurement.be/nl/publicprocurementbe-english-0</a> (fully available in Dutch and French, full translation of English and German will come soon)</p> <p><b>Pandemic law in the making:</b></p> <p>The Belgian Minister of Internal Affairs, Annelies Verlinden, is planning to submit a so-called pandemic bill to parliament, not only for the current pandemic, but also for future pandemics. She considers it appropriate to have a specific legislative framework, but for the time being the content of this possible future law is unknown. However, the intention will be to include a non-exhaustive list of restrictions, such as those in forces in Belgium today, without, however, rendering fundamental rights and freedoms inoperative. The speed with which the law will/ can be adopted by the Belgian parliament will determine whether it will still apply to the current COVID-19 pandemic.</p>	<p>For further information on all the measures applicable to movement of goods during the period of sanitary emergency due to the COVID-19 outbreak (including eventual restrictions on imports and exports, if applicable), please consult the following website of the Belgian Customs and Excise Authority (in French, Dutch and German): <a href="https://finance.belgium.be/en/customs_excise/s/corona-information-and-measures">https://finance.belgium.be/en/customs_excise/s/corona-information-and-measures</a></p> <p>For a general overview of trade restrictions due to COVID-19 pandemic, reference is also made to the following websites:</p> <ul style="list-style-type: none"> <li>• <a href="https://www.macmap.org/covid19">https://www.macmap.org/covid19</a> (see section dedicated to Belgium)</li> <li>• Guidelines for border management measures to protect health and ensure the availability of goods and essential services</li> </ul> <p><b>Foreign Investment:</b></p> <p>The European Regulation establishing a framework for the screening of foreign direct investment in the Union (EU 2019/452) applies from October 11, 2020. The regulation is being implemented on a regional level.</p>

The following aids have been announced by the German Federal Ministry of Finance:</p> <ul style="list-style-type: none"> <li>Adjustment and refund of tax prepayments.</li> <li>Reduction of VAT on food in the catering trade to 7% limited until July 1, 2021.</li> <li>Tax exemption for increases in short-time working allowance up to 80%.</li> <li>Deferral of tax payments until <b>June 30, 2021</b>.</li> <li>Suspension of enforcement measures in the case of overdue tax debts.</li> </ul> <p><a href="https://www.bundesfinanzministerium.de/Content/DE/Standardartikel/Themen/Schlaglichter/Corona-Schutzschild/2020-03-19-steuerliche-Massnahmen.html">https://www.bundesfinanzministerium.de/Content/DE/Standardartikel/Themen/Schlaglichter/Corona-Schutzschild/2020-03-19-steuerliche-Massnahmen.html</a></p> <p><b>Restructuring:</b></p> <p>The obligation to file for insolvency has been suspended until <b>April 30, 2021</b> if the insolvent company has filed for COVID-related aid between Nov. 1, 2020 and <b>Feb. 28, 2021</b>. Regardless of this, the period to file for insolvency due to over-indebtedness has been extended to a maximum of 6 weeks.</p>	<p><b>Health &amp; Safety:</b></p> <p>The Federal Ministry of Labor and Social Affairs has introduced strict and binding occupational health and safety standards (e.g. safety distance of 1.5 m where possible, hygiene routines) which apply during the COVID-19 pandemic. Fines may be imposed for non-compliance.</p> <p>Districts or urban municipalities with over 50 new cases of infection cumulatively per 100,000 inhabitants in the previous seven days have to draw up a concept on comprehensive restrictions in cooperation with the relevant state authorities, e.g. compulsory masks in public places or a ban on serving alcoholic beverages.</p> <p>Districts or urban municipalities with over 200 new cases of infection cumulatively per 100,000 inhabitants in the previous 7 days may introduce a restriction on the free movement of persons of 15 km around the place of residence.</p> <p>Since January 4, 2021, additional Germany-wide measures have been in place to prevent a national health emergency, e.g., meetings in public are only allowed with the members of one's own household and one other person, closure of businesses.</p>	<p><b>Procurement:</b></p> <p>With effect from July 14, 2020 until Dec. 31, 2020, the German government has adopted a binding action guideline for the federal administration during the COVID 19 pandemic in order to be able to quickly convert public procurement measures into concrete investment projects. The guideline provides for easier action in the procurement of public supply, service and construction contracts. In particular, the following facilitations for the federal administration are included:</p> <ul style="list-style-type: none"> <li>For supply and service contracts up to a value limit of EUR 100,000 excluding VAT, simplified and faster procurement procedures can be carried out (e.g. negotiated awards without a call for competition).</li> <li>In the case of construction contracts, this limit is up to EUR 1 million excluding VAT.</li> <li>The values for the direct award of goods and services are raised from EUR 1,000 to EUR 3,000 and for the direct procurement of works contracts from EUR 3,000 to EUR 5,000 (in each case excluding VAT). Here, the contracting authority can buy directly without having to carry out a prior procurement procedure.</li> </ul>	<p><b>Import &amp; Export:</b></p> <p>The EU Commission's Implementing Regulation (EU) 2020/568 of April 23, 2020 (In effect since April 26, 2020) which implemented an export licensing requirement for the export of medical protective equipment (including protective spectacles and visors, mouth-nose-protection equipment, protective garments) to countries outside the EU and which was applicable for 30 days, has not been extended or replaced by new measures. Therefore, the export licensing requirement has been lifted.</p> <p><b>Foreign Investment:</b></p> <p>On July 17, 2020, the First Act amending the Foreign Trade Act ("Ausserwirtschaftsgesetz") and other Laws came into force. The Act essentially implements the EU Screening Regulation (EU) 2019/452 from 2019 and for the first time sets out requirements for investment reviews at a European level. The new German Act regulates the auditing standard for the acquisition of a company: In future, it will be decisive whether an acquisition will lead to a "probable impairment" of public order or security. Previously, the decisive factor was whether there was a "real threat" to public order or security. In addition, any acquisition subject to notification will be suspended for the duration of the examination. This will prevent the parties involved in the acquisition from</p>

<p><b>Republic of Korea</b></p> <p> 법무법인(유한) 바른</p> <p>Joo Hyoung Jang <a href="mailto:joohyoung.jang@barunlaw.com">joohyoung.jang@barunlaw.com</a> Jaeyong Shin <a href="mailto:jaeyong.shin@barunlaw.com">jaeyong.shin@barunlaw.com</a> Jisu Kim <a href="mailto:jisu.kim@barunlaw.com">jisu.kim@barunlaw.com</a></p> <p><i>Updated as of February 8, 2021</i></p>	<p><b>Tax:</b></p> <p>In Dec. 2, 2020, the National Assembly passed the resolution modifying the tax law. The details relating to COVID 19 include: (i) providing an extra 10% income tax deduction of up to KRW 1 mn for credit card spending, (ii) increasing the tax reduction for rent cuts given to commercial property owners from 50% of the rent cut to 70%, (iii) temporarily expanding the job creation tax incentive to companies which failed to retain jobs in 2020, (iv) temporarily providing a 10% capital gains tax reduction for land transactions if it is used for public rental housing construction, and (v) introducing the national employment insurance.</p> <p><b>Restructuring:</b></p> <p><b>Subsidizing Measure to Maintain the Employment:</b> To facilitate employment amid COVID 19, the Ministry of Employment and Labor provides a Special Employment Promotion Grant. Those who are eligible to apply for the grant are the small and medium enterprises that hired, and retained for at least 6 months, an employee who falls within the scope of one of the following: (i) became unemployed after Feb. 1, 2020 and was unemployed for over 1 month at the time of hiring; (ii) was unemployed for at least 6 months prior to the hiring; or (iii) who is qualified to receive the currently existing employment promotion incentive.</p>	<p><b>Health &amp; Safety:</b></p> <p><b>Private companies are recommended to:</b> (1) have their employees work from home/work under a flexible schedule program (with government subsidy for installation of infrastructure) (2) designate a department, team or manager in charge of infection control (3) ensure there is 2m distance (at least 1m) between employees and (4) install hand washing facilities or place hand sanitizer, and disinfect high-touch surfaces or publicly used items at least once a day. Furthermore, employees with a fever or respiratory symptom shall immediately leave the office and be temporarily suspended.</p> <p><b>Social Distancing Policy:</b> Currently, level 2.5 (under five-level system including levels 1, 1.5, 2, 2.5 and 3) social distancing applies to Seoul, Incheon and Gyeonggi-do and level 2 social distancing applies outside these areas. Under level 2.5, gatherings with 50 or more people are prohibited, and operations of indoor fitness facilities, private after-school academies, religious gatherings, etc. are restricted. Large stores are not allowed to operate after 9 p.m. Outside these areas, the local government can determine the virus prevention measures <b>except gathering of 100 or more people are prohibited. These distancing levels will apply until February 14, 2021, unless further extended.</b> In addition, a private gathering of five or more people is</p>	<p><b>Procurement:</b></p> <p>The government has significantly loosened the government contract execution procedure until the end of 2020 as follows.</p> <ul style="list-style-type: none"> <li>• The value of the ‘private contract,’ which the government agency can enter without a formal competitive bidding process, has been doubled.</li> <li>• ‘Prevention and Diffusion Prevention of Infectious Disease’ has been added as a reason for entering into a ‘private contract.’</li> <li>• A government agency may enter into a ‘private agreement’ when the formal competitive bidding process was unsuccessful once.</li> <li>• Every bidding order now has to be made on an urgent basis, such that the announcement period has been reduced to 5 days from up to 40 days.</li> </ul> <p>The deposits to be provided by the participants of the formal competitive bidding process have been reduced by 50%, and the audit/payment period has been reduced.</p> <p><a href="http://www.moef.go.kr/nw/nes/detailNesDtaView.do?menuNo=4010100&amp;searchBbsId1=MOSFBBS_000000000028&amp;searchNttId1=MOSF000000000036456">http://www.moef.go.kr/nw/nes/detailNesDtaView.do?menuNo=4010100&amp;searchBbsId1=MOSFBBS_000000000028&amp;searchNttId1=MOSF000000000036456</a></p>	<p><b>Import &amp; Export:</b></p> <p><b>Restrictions on Exportation of Masks:</b> Masks which are not categorized as medical supplies can be freely exported as of October 23, 2020. The Ministry of Food and Drug Safety and the Ministry of Trade, Industry and Energy has announced that they have improved the regulations on the distribution of the masks not categorized as a medical supply in order to abolish the limit on the export amount and are promoting the policies to facilitate the export such as assisting on establishing the sales route.</p> <p><b>Foreign Investment:</b></p> <p><b>Improvement of the policies to induce foreign investment:</b> Despite COVID 19, the government did not strengthen the evaluation of foreign investment. Instead, the government has been maintaining the policies to induce foreign investment.</p> <p>Feb. 4, 2020 amendments to the Foreign Investment Promotion Act: (i) in cases where a foreign investment company reinvests unappropriated retained earnings in Korea, such reinvestment shall be considered a foreign investment and receive the benefits following, and (ii) high tech businesses and high tech product businesses have been added to the subjects of government cash support.</p>

Country / Firm	Corporate Measures	Business Operations Measures	Government Contract Measures	International Trade Measures
	<p><b>Financial Support:</b> The government entered into agreements with financial entities and provided low interest rate loan to small enterprises via ‘relief package’ in order to improve their liquidity, as well as provided financial support such as deferment/suspension of loan repayments.</p> <p><b>Emergency Relief Grant:</b> Customized relief grants are to be provided to the small businesses whose operations were limited by the government. The government will be providing the “Support Fund for Small Business Operators” with the streamlined process (KRW 1mn will be paid as the support for the damages, and an additional KRW 1mn will be paid to the operators in the field where gathering is restricted while an additional KRW 2mn will be paid to the operators in the field where gathering is prohibited).</p>	<p>prohibited until <b>February 14, 2021, unless further extended.</b></p> <p>The government also issued the 'Special Preventive Measures' in preparation for the Lunar New Year period which include transportation control and prohibition of visit to a geriatric hospital, and will be effective for two weeks starting from Feb. 1, 2021.</p> <p><b>Facial Covering Requirement:</b> A person not wearing a mask in public shall be fined up to KRW 100,000 (USD 85.5). Further, under level 2.5 social distancing, a person not wearing a mask indoor shall also be subject to fine.</p> <p><b>Self-Quarantine of Overseas Arrivals:</b> From April 1, 2020, all overseas arrivals shall self-quarantine themselves for 14 days in general.</p> <p><b>Workers’ Rights:</b></p> <p><b>Subsidizing Paid Leave Expenses:</b> In case an employee is hospitalized or quarantined by the health authority, the business operator may provide a paid leave, with government subsidy, for the relevant period. The employer shall not terminate or otherwise unfavorably treat the employee based on the paid leave. The government provides living expense support to the employees who did not use paid leave during such period.</p>		<p><b>Increased support for the overseas companies returning to Korea:</b> For the overseas companies returning to Korea (so called ‘U-turn companies’) the government (i) expanded the tax reduction/exemption to apply not only to those who newly established a place of business but also to those who expanded their place of business, (ii) made exceptions to grant E-9 visas to those foreign employees who worked at the foreign business places such that they can be employed in Korea, and (iii) decided to expand support for process innovation such as the establishment of a ‘smart factory.’</p> <p><a href="https://www.mk.co.kr/news/english/view/2020/10/1078873/">https://www.mk.co.kr/news/english/view/2020/10/1078873/</a></p> <p><a href="http://www.motie.go.kr/motie/ne/presse/pres2/bbs/bbsView.do?bbs_seq_n=162736&amp;bbs_cd_n=81">http://www.motie.go.kr/motie/ne/presse/pres2/bbs/bbsView.do?bbs_seq_n=162736&amp;bbs_cd_n=81</a></p>

Under modifications enacted by the Consolidated Appropriations Act of 2021 (Pub. L. No. 116-260) the payroll tax credit is now available for certain qualified wages even if an employer receives a guaranteed loan under the Paycheck Protection Program. This change applies as if it were enacted under the CARES Act. Additionally, the Consolidated Appropriations Act extended the employee retention tax credit through June 30, 2021, and for calendar quarters after December 31, 2020, an employer may be eligible if gross receipts declined by more than 20% (rather than 50%) when compared to the same quarter in the previous year.</p> <p><u>Business Taxes:</u> <a href="#">Net operating losses</a> (NOLs) from 2018, 2019 or 2020 may now be carried back five years.</p>	<p><b>Health &amp; Safety:</b></p> <p><u>Business Closures:</u> While each state has issued unique local executive orders on what “essential businesses” are allowed to remain open, on March 28, 2020, the U.S. Department of Homeland Security’s Cyber Infrastructure Security Agency issued <a href="#">guidance</a> on what essential and critical infrastructure means.</p> <p>However, businesses are almost universally reopening in accordance with restrictions, such as allowing fewer customers, requiring workers and customers to wear masks, and enforcing social distancing. As a new wave of increased infected, these openings have changed in various jurisdictions. Even as governors lift and replace orders, stricter local orders may remain in place.</p> <p><u>OSHA:</u> The Occupational Safety and Health Administration (OSHA) has not enacted a specific regulatory standard to protect employees in the U.S. from occupational exposures to COVID-19. Instead, OSHA is relying on existing health and safety standards, such as its personal protective equipment standard; recording and reporting occupational injuries and illnesses standard; respiratory protection standard; and the general duty clause, to address occupational exposures to COVID-19. A summary of the COVID-19 violations most commonly cited by OSHA under these standards is available at</p>	<p><b>Procurement:</b></p> <p><u>OMB and DoD Guidance:</u> The Office of Management and Budget (OMB) and the Department of Defense (DoD) issued numerous guidance documents to guide federal efforts throughout the pandemic. Early OMB guidance encouraged agencies to leverage the special emergency procurement authorities authorized by the President's emergency declaration under the Stafford Act. These flexibilities included increases to the micro-purchase threshold, the simplified acquisition threshold, and the threshold for using simplified procedures for certain commercial items.</p> <p><u>Sole Source Procurements:</u> Federal agencies increased their use of sole source awards in their pandemic response efforts. According to a GAO report, agencies awarded \$17.8 billion in contracts as of mid-June 2020 for critical goods and services supporting responses to the COVID-19 pandemic. About \$11 billion was awarded in contracts for goods—including ventilators, gowns, and N95 respirators—to treat coronavirus patients and protect health care workers. The agencies awarded about \$9.4 billion in contracts without competition, often citing urgency as the reason.</p> <p><u>Commercial Item Status:</u> DoD issued a Commercial Item Determination (CID) dated March 27, 2020, for essential supplies and</p>	<p><b>Import &amp; Export:</b></p> <p><u>Export Controls:</u> Under the Defense Production Act of 1950 (DPA), on April 7, 2020, the U.S. Department of Homeland Security’s Federal Emergency Management Agency issued a temporary final rule (“Rule”) to establish export restrictions on certain types of personal protective equipment (PPE) products used in the response to the COVID-19 pandemic. On August 10, 2020 and on December 10, 2021 the Rule was amended to the following categories of PPE:</p> <ul style="list-style-type: none"> <li>• Surgical N95 filtering facepiece respirators;</li> <li>• PPE surgical masks;</li> <li>• PPE nitrile gloves;</li> <li>• Level 3 and 4 surgical gowns and surgical isolation gowns; and</li> <li>• Syringes and hypodermic needles.</li> </ul> <p>All covered PPE shipments will be temporarily detained by U.S. Customs and Border Patrol until FEMA makes a final determination of whether it will revert the materials for domestic use, issue a rated order, or allow the export. There are 11 exemptions to the Rule for certain types of exports from the U.S. including certain types of intercompany transfers and exports to Canada or Mexico. Those claiming an exemption must submit a</p>

	<p>Under the COVID-related Tax Relief Act in the Consolidated Appropriations Act of 2021 (Pub. L. No. 116-260) when a business receives a loan under the Paycheck Protection Program that is forgiven or that is reasonably anticipated will be forgiven, the business does not recognize gross income as a result of the loan forgiveness and the business is permitted deductions for otherwise deductible expenses paid with the proceeds of the Paycheck Protection Program loan that is forgiven, and there is no reduction to the basis or other tax attributes of assets.</p> <p><b><u>Restructuring:</u></b></p> <p><b><u>Legislative trends:</u></b> The <a href="#">CARES Act</a> enabled numerous forms of relief for businesses. Included among them were certain <a href="#">amendments to the Bankruptcy Code</a> which expanded the definition of a “small business” to broaden the number of businesses that could take advantage of <a href="#">2019 legislation</a> aimed at small business. Before, only businesses with up to \$2.6M in debt were eligible. Now, at least until March 27, 2021, debtors with \$7.5M in debt are entitled to use the small business designation in their reorganization cases.</p> <p><b><u>Recently, the <a href="#">Consolidated Appropriations Act, 2021</a> made additional temporary amendments to the Bankruptcy Code, which, among other things, reduced preference exposure for suppliers and commercial landlords, extended the time to perform under and to assume or</u></b></p>	<p><a href="https://www.osha.gov/SLTC/covid-19/covid-citations-guidance.pdf">https://www.osha.gov/SLTC/covid-19/covid-citations-guidance.pdf</a>.</p> <p>OSHA also has issued a number of COVID-19 guidance memoranda during the pandemic. Key <a href="#">Enforcement discretion guidance</a> memoranda address OSHA’s enforcement flexibility concerning employee use of respiratory protection and associated training; the circumstances under which employers must record work-related employee cases of COVID-19 on OSHA injury and illness forms; and the enforcement discretion OSHA is authorized to exercise in response to an employer’s good faith efforts to comply with OSHA standards during the pandemic. Other OSHA guidance of potential interest to employers include <a href="#">Returning to Work</a> and <a href="#">Preparing Workplaces for COVID-19</a>.</p> <p>Some states in the U.S. are authorized to operate state-run OSHA programs. For more information on state-level requirements, please contact our firm.</p> <p><b><u>Worker’s Rights</u></b></p> <p><b><u>Paid/Unpaid Leaves:</u></b> The Families First Corona Response Act was passed by the Federal government. Employers with fewer than 500 employees must provide Paid Sick Leave for 14 days for COVID 19 related absences, and unpaid leave under the EFMLA for COVID-19 related reasons.</p>	<p>services procured in the response to the COVID-19 pandemic.</p> <p><b><u>Suspension of Affirmative Action Enforcement:</u></b> In March 2020, the Office of Federal Contract Compliance Programs (OFCCP) granted a limited, three-month exemption and waiver from OFCCP requirements for supply, service and construction contracts.</p> <p><b><u>CARES Act Section 3610:</u></b> Section 3610 of the CARES Act provided a means for affected contractors to request reimbursement of costs incurred for paid leave granted to their employees during the pandemic and COs may modify contracts to reimburse up to 40 hours per week of paid leave costs, subject to the availability of funds. DoD issued class deviations to the DFARS to implement Section 3610 for DoD. Under the Consolidated Appropriations Act signed into law December 27, 2020, the reimbursement period was extended to March 31, 2021.</p> <p><b><u>Other CARES Act Provisions:</u></b> The CARES Act amended the statutory definition of materials required in the Strategic National Stockpile to include certain medical supplies needed in the current pandemic and for potential future emergencies. The CARES Act also modified provisions on the use of Unfixed Contract Actions (UCAs), making it easier for agencies to authorize performance before a contract is finalized.</p>	<p>letter of attestation to FEMA. The Rule expires June 30, 2021.</p> <p><b><u>Imports:</u></b></p> <p>China: USTR has granted “Section 301” tariff exclusions for certain medical products from China, including medical masks, examination gloves and antiseptic wipes.</p> <p>FDA Policy: U.S. Food and Drug Administration (FDA) developed new licensing and enforcement policies to expedite the importation of PPE, including masks, respirators, gowns, and gloves</p> <p>Duty Deferrals: U.S. Customs and Border Protection (CBP) postponed deadlines for payment for the deposit of certain estimated duties, taxes, and fees for importers experiencing a significant financial hardship due to COVID-19.</p> <p><b><u>Foreign Investment:</u></b></p> <p>On September 15, 2020, the Department of the Treasury published in the <i>Federal Register</i> a final rule amending the disclosure regulations of the Committee on Foreign Investment in the United States (CFIUS) pursuant to the Foreign Investment Risk Review Modernization Act of 2018 (FIRRMA). Effective as of Oct. 15, 2020, the final rule significantly alters the mandatory CFIUS filing requirements relating to foreign persons’ investments in or acquisitions of U.S.</p>
